I Can Only Imagine	About the Movie It's the song that brings ultimate hope to so many...often in the midst of life's most challenging moments. Amazingly, the song was written by MercyMe lead singer Bart Millard. In reality, those lyrics took a lifetime to craft. Although he found faith at a young age, life wasn't easy for Bart. He leaned into an active imagination and his love of music as escapes from a troubled home life. As he grew older, Bart turned to football in hopes of somehow connecting with his abusive father. But a career-ending injury-combined with the vision of a teacher who saw unlimited potential-set Bart on a musical pathway. Chasing a dream while running from broken relationships with his father and Shannon, his childhood sweetheart, Bart hits the road in an old, decrepit tour bus with his new band MercyMe-named for his grandmother's favorite expression. With the guidance of a grizzled music-industry insider, the band begins a journey none of them could ever have imagined. A gripping reminder of the power of forgiveness, I Can Only Imagine, beautifully illustrates that no one is ever too far from God's love-or from an eternal home in Heaven.	2018-06-10	dvd	110	1	J Michael Finley, Dennis Quaid	2018-07-09	1

Robber of the Cruel Streets	George Muller (1805-1898) was a German playboy who found Christ and gave his life to serve Christ unreservedly. His mission was to rescue orphans from the wretched street life that enslaved so many children in England during the time of Charles Dickens and Oliver Twist. Muller did rescue, care for, feed, and educate such children by the thousands. The costs were enormous for such a great work. Yet, amazingly, he never asked anyone for money. Instead he prayed, and his children never missed a meal. This docu-drama presents his life story and shows how God answered prayer and met their needs. It is a story that raises foundational questions regarding faith and finances. Also included are two special documentaries on Muller and some of the lives affected by his work.	2006-10-06	dvd	60	1	Russell Boulter	2015-10-20	1

Child Juror Comments: I loved this movie because it had a great lesson that God loves you, and even if something happened that you didn't want, He has a plan for you. I think the cinematography was pretty good. It's not the best in the world, but is still pretty good. They were nice to each other. When the main character was in trouble, someone would come along and help him. I think my friends would love this DVD because they love Veggie Tales, and they would love the lesson learned in this.
